Join us for an exciting afternoon showcasing some of the best dance students Northeast Ohio has to offer! This FREE showcase is not a competition, but instead, an adjudicated festival performance that gives *your* studio, dance team, college group, or dance program the opportunity to be featured onstage at Playhouse Square and allows your students the chance to share their love for dance with the community. Students, parents, and teachers will also have the opportunity to take FREE master classes, community dance classes, and professional development workshops during the day. Tickets to the student showcase are free to the public.
